Response Due Date

11/16/2016

IDENTIFICATION NUMBER: C00008227

REFERENCE: APRIL MONTHLY REPORT (03/01/2016 - 03/31/2016)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report (see attached) discloses one or more contributions from an organization, which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor used permissible funds to make the contribution to avoid violating 52 U.S.C. §§30116(f) and 30118 (formerly 2 U.S.C. §§441a(f) and 441b) or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution received from the referenced organization is permissible.

To the extent that your committee has received prohibited funds, you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided

written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. (11 CFR §103.3(b)(1))

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for any transfer- out or refund. Should you choose to transfer-out or refund the contribution, the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

2. Your Amended February Monthly (1/1/16-1/31/16), received 6/13/16, March Monthly (2/1/16-2/29/16), and April Monthly (3/1/16-3/31/16) Reports combined do not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

3. Schedule H4 of your report discloses a payment for "Balloting services" which appears to meet the definition of Federal Election Activity ("FEA") and may also meet the conditions of exempt party activity as defined under 11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149. Please be advised that activity which simultaneously constitutes both exempt activity and FEA must be paid for as an FEA activity.

If this apparent exempt activity represents Get-out-the-vote activity conducted

ARIZONA REPUBLICAN PARTY

in connection with an election in which one or more candidates for Federal office appear on the ballot, it is considered to be Federal Election Activity. If this apparent exempt activity represents Voter Registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election, it is considered to be Federal Election Activity. (11 CFR §100.24) Further, Levin funds may only be used for these types of FEA if there is no reference to a clearly identified candidate for Federal office. (11 CFR §300.32(b) and (c))

If this apparent exempt activity is a public communication (as defined under 11 CFR §100.26) that refers to a clearly identified candidate for Federal office and promotes, supports, attacks or opposes any candidate for Federal office, it meets the definition of Federal Election Activity under 11 CFR §100.24 and must be paid for with 100% Federal funds and disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate.

It appears that you have allocated the costs for this activity between federal and non-federal funds. Any reimbursement from your committee's non federal or Levin account for Federal Election Activity costs referencing a clearly identified candidate for Federal office is not permissible and must be returned. (11 CFR §§300.32 and 300.33)

Please amend your report to clarify if the activity disclosed meets the conditions of exempt party activity and also if it meets the definition of Federal Election Activity. If the activity does not meet the conditions of exempt party activity, please clarify if it contains express advocacy. Further, please inform the Commission of any corrective action immediately and properly disclose this activity, if necessary.

4. Schedule H4 of your report discloses an apparent disbursement to "River of Time Museum Foundation." Please be advised that contributions and transfers to federal committees and/or non federal committees/organizations do not qualify as shared expenses to be allocated between your federal and non federal

accounts. Transfers to affiliated committees should be disclosed on Schedule B supporting Line 22 of the Detailed Summary Page, contributions to federal committees should be disclosed on a Schedule B supporting Line 23 of the Detailed Summary Page and contributions to non federal committees/organizations on a separate Schedule B supporting Line 29. Any reimbursement from your committee's non federal account for any portion of this activity is not permissible. (11 CFR §102.5(a)(1)(i))

The Commission recommends that you immediately transfer the funds received by your federal account, as reimbursement for the non federal portion, back to your non federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

5. Schedule H4 of your report discloses a payment to "Arizona Biltmore Resort," which is categorized as an Administrative expense; however, the purpose of disbursement disclosed is "Convention venue." Please be advised that payments made for your committee's fundraising activities must be allocated according to the funds received method and the ratio reflected on Schedule H2. Please amend your report to clarify the appropriate category for this activity or provide clarifying information regarding this apparent discrepancy. (11 CFR §106.7(d)(4))

6. Schedule H4 supporting Line 21(a) of your report discloses payments for "Dental Insurance," "Insurance," "Payroll," and "Payroll Taxes." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal Election Activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken

into consideration.

7. Schedule H4 of your report discloses \$320 in payments for "Parliamentarian services" to individuals. Please clarify whether these individuals are employees of your committee. If they are employees, please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on Federal Election Activity (FEA) or activities in connection with a Federal election. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on FEA or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used.

Any reimbursement from your committee's non-federal or Levin account for salary and wage payments for employees who spent more than 25% of their compensated time in a given month on FEA is not permissible and must be returned. Please provide clarification regarding these payments.

8. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule H4 to clarify the following descriptions: "Convention entertainment," "Event Entertainment," and "Party Consulting." (11 CFR §§104.3(b)(3) and 104.10(a)(4))

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register can be found at: http://www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf

9. Schedule H4 supporting Line 21(a) of your report discloses payments for "Direct Mail," "Media consulting," "Printing," and "Printing Services." Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal and non-federal accounts. Only federal funds may be used.

Further, expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

However, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

If this activity was categorized incorrectly, the Commission recommends that you immediately transfer the funds received by your federal account for this activity back to the non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
